AHI EDI Business Information Council Roundtable

2:15 – 4:45 pm

Come learn about the AHI EDI Special Project and see a presentation of the new Veterinarian License Confirmation System, a centralized national database of Vet License information. The AHI EDI Business Information Council will provide details on how distributor participants can utilize/access the Veterinarian License Confirmation System. There will also be an overview of the project, which will include recent updates to the project Web site and business processes.

Reception for Manufacturers and Distributors

5:00 – 6:30 pm

Please join us for drinks and light snacks on the Esplanade Patio. This is your opportunity to socialize and learn more about The Project. In event of rain, we will be in the Vinoy Grand Ballroom.
