

# Credit Card Processing Group Discounts for Wholesaler-Distributors

N · A · W

## Key Benefits

- Real savings with NAW negotiated MasterCard® and Visa® rates
- Accept all major credit and debit cards including corporate and government purchasing cards
- Securely process transactions from any computer with Internet access
- Funds deposited in just two business days

## Comparing Offers

- With so many processing offers out there, it's tough to know which one is best for your business. The NAW program offers a **free analysis** to help you accurately compare.
- See the savings in writing with a professional analysis for your business
  - Compare your current service to a national benchmark
  - No obligation to enroll

## Getting Started

- Commercial card payment volume grew at a rate nearly three times that of consumer card payments in the U.S. last year. The NAW program makes it easy for you to offer this growing payment option.
- Professional support team to manage the entire process for you
  - Flexible equipment and Internet-based processing options to meet your needs

## Special Limited-Time Offer:

Receive **FREE** terminal reprogramming or **\$50 off** a new equipment purchase. Respond today for details.

Just complete and fax this page to **800-297-3405 (toll-free)** or call **800-613-0148** today for more information.
